Donkey Baseball Here On Monday, July 10

Donkey baseball will be the feature at the Didsbury Memorial Arena on Monday, July 10, when teams from the East and West of Didsbury will play ball from the backs of Donkeys.

McCulloch's Millionaires is the team from the East, and players are Paul Hauser, Bill Persinger, Bob Fisher, Ernie Cullen, Bruce Shells, Howard Krebs, Stan Schumaker, Dennis Jenkins and Arnold McCulloch.

Shantz Stampede is the team from the West, and will comprise Norman Tuggle, Lawrence Krebs, Bob Young, Allen Krebs, Albert Krebs, Bill Weidner, Ray Shantz, Trev Hughes and Cliff Murphy.

The performance, which will be at 8:00 p.m., is being sponsored by the Didsbury Branch of the Canadian Legion and all proceeds will be for the Didsbury Memorial Arena.

While donkey baseball was put on in Didsbury last year, the attraction next Monday night should be bigger and better than ever. A different company is providing the entertainment this year, and it is said that the donkeys on the program are "as gentle as kittens."

Special rules and regulations have been designed for the game of Donkey Baseball, and if you want to enjoy a novel event you should not miss the attraction next Monday night.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. W. A. Newton on Saturday, July 1, a girl.

To Mr. and Mrs. Harvey Burgess on Sunday, July 2, a girl.

Showery weather has prevailed during the past week and considerable moisture has fallen in all parts of the district. Crops generally are making a wonderful comeback and while some re-seeding has been done following the rains this condition is not general.

MOUNTAIN VIEW

Don't forget the hard time dance at Mountain View Hall this Friday evening. Everybody welcome.

Miss Agnes Tighe of Olds spent the weekend at her home in the district.

Mr. and Mrs. Alfred Morasch and Mr. Adam Morasch were Calgary visitors last Tuesday.

Mr. and Mrs. Sid Morasch and family of Calgary visited with Mr. and Mrs. Adam Morasch and notored to Ted Deer, together with Stewart Tighe, George and Harry Morasch, and Lily Morasch, to visit with Mr. and Mrs. Ted Hunter and family and to do some fishing at Pine Lake.

Miss Olwen Blitner received word that she had passed her music examination.

Mrs. Harry Gibson, who was a patient in the Didsbury hospital, is now out and staying in town with her daughter, Mrs. Burr Tuggle.

The Gore picnic was a complete success and a large crowd attended.

Crow and Magpie Campaign Extended

The crow and magpie campaign being conducted throughout the Province by the Alberta Fish and Game Association and the Provincial Game Commission will be extended another two weeks, according to word received last week from the Provincial Secretary, Geo. Spargo.

This extension of time will give the boys and girls of the Didsbury area a little more time to boost their totals in the Didsbury Fish and Game Association contest for the fishing outfit donated by D. N. McDonald & Son, and to compete for other prizes.

The local campaign has been a complete success so far and Mr. Ed Grange reported Tuesday that to date more than 7,000 pairs of crow and magpie feet have been turned in to the Association.

In the contest, Sandra Wood is leading with 2,065 pair of crow and magpie feet; Leslie Gooley is in second place with 1,986, and Donnie Krebs is in third position with 1,319.

WESTCOTT NOTES

More welcome showers fell in this district during the past week and gardens and crops are making fine progress. Some early-sown grain is in the shot blade, and the winter wheat on the farm of H. J. Goetjen is practically all headed out and is of good length for the dry year.

On the closing day of school the Westcott pupils and teacher, Mrs. Ethel Korschuh, held their picnic and all parents and a few friends turned out for the occasion. Both dinner and supper were served out in the open. The hot races for the children and a ball game between the school children and their dads and mothers took up the time in the afternoon. In the evening a dance was held in the school with young and old taking part. It was truly a big day for all and many of us are still wondering how we could devour so much food and ice cream.

Mr. and Mrs. Gordon Ford spent a few days up at the Lake recently, along with relatives.

Mr. Jack Robertson and his Boy Scout Troop journeyed north up the Dog Pound by boat last Saturday, starting at Westerdale. We understand the boys had a grand time.

Word was received here on Saturday morning that a former resident of the district, Mr. Martin Jacobsen, passed away while visiting in Adair, Iowa. Mr. Jacobsen had been residing at Cranbrook, B. C., ever since leaving here. Mr. Linden Jacobsen, a nephew, along with other immediate relatives of the deceased, left on Saturday by car for the U.S.A. to attend the funeral, as we understand there was a full strike down there, necessitating the burial to take place where Mr. Jacobsen passed away.

Golden Wedding of Mr. and Mrs. Watson

Mr. and Mrs. George Watson quietly celebrated their golden wedding anniversary at their home in Didsbury on Tuesday, June 27, when a few friends from Calgary were present to offer best wishes to the happy couple.

Mr. and Mrs. Watson were married at Perth, Scotland, on June 27, 1900, where they resided until 1913 when Mr. Watson came to Didsbury, and Mrs. Watson and son Alastair followed a year later. They have resided in Didsbury since that time.

Mr. Watson operated a shoe repair business in Didsbury until about two years ago when he retired due to failing health.

Honored on Golden Wedding Anniversary

MR. AND MRS. J. V. BERSCHT

Many friends and relatives gathered at the home of Mr. and Mrs. J. V. Berscht on Tuesday, June 27, the occasion being their golden wedding anniversary.

The reception was held afternoon and evening and the rooms were tastefully decorated with flowers, gladioli and roses. The bride of 50 summers was becomingly gowned in an afternoon frock of grey tissue faille, complemented by a corsage of golden shade of roses.

A three-tiered wedding cake leek white and gold surrounded by singles and white tulle, centered the buffet, and the bride cut the cake with a knife which she received as a wedding gift in 1900.

Mrs. J. Stevens, Mrs. Kenney, Mrs. Levagood, Mrs. J. Liesemer and Mrs. A. Deardick shared the honors at the lace covered table, adorned with a silver tea service and roses. Assisting at the table were two daughters-in-law, Mrs. B. E. Berscht of Innisfail, and Mrs. J. Berscht of Didsbury, and Miss Rita Sawatzky.

Mr. and Mrs. J.V. Berscht were married in Midway, Bruce County, Ontario, in 1900, and they came to Didsbury in 1903 where Mr. Berscht established a shoe store.

Large Attendance At F.U.A. Convention

The annual convention of F.U.A. District No. 10 at the Olds School of Agriculture on June 23 was well attended. The morning session started in the gym room and delegates and visitors were welcomed by Mayor Dinkley and the principal of the O.S.A., Chas. Yauch.

The convention was addressed at 2 p.m. by the vice-president, Henry Young of Millet, who dealt with provincial and national topics and rural electrification. Various resolutions were passed, which will be submitted to the annual convention in December.

One hundred and fifty guests enjoyed the banquet at 6:30, which was followed by a dance in the gymnasium.

Arthur Rothwell, local president and Ken Burns, past president, were the delegates from the Didsbury Local, and they were accompanied by a number of members.

Ladies' Auxiliary Entertains Legion

A pleasant evening was held last Thursday, June 29, when the Ladies' Auxiliary to the Canadian Legion entertained the Legion members and their wives, together with the husbands of Auxiliary members who do not belong to the Legion, to a Father's Day supper in the Lions hall. About one hundred guests sat down to tables nicely decorated with summer flowers, and two lovely bouquets of carnations decorated the head table. These were the gift of Mr. Leonard Berscht, and were later sent to the local hospital.

The toast to the King was proposed by Mrs. Freeman.

After supper Mr. Robinson entertained with two songs, accompanied on the piano by Mrs. Robinson. Mr. and Mrs. Robinson were guests from Olds, their entertainment was enjoyed. This was followed by a sing-song, also accompanied by Mrs. Robinson, after which each organization held a short business meeting, the ladies adjourning to the Masonic hall.

Don't forget the Donkey Baseball game at the arena July 10.

TANKS OUTING

The Didsbury Detachment, Kings Own Calgary Regiment (4th AR), left Saturday morning, complete with a 40-ton Sherman tank, four trucks and camping equipment for 25 men on a two-day exercise on the Fallen Timber, west of Elktion. After an exciting outing the boys returned Sunday night and report an exhausting but enjoyable trip. Capt. K.G. Thring was in charge of the exercise.

WESTERDALE NEWS

Miss Patsy Bothers and her sister Nellie of Edmonton spent the holiday weekend at the home of Mr. and Mrs. R. Jackson.

Jim Jackson left by bus for Edmonton Sunday evening and he will spend the next three or four days there. Also returning to their home at Edmonton were the Misses Patsy and Nellie Bothers.

The Westerdale school picnic was held Friday afternoon on the school grounds. Many of the parents were present and an enjoyable afternoon was spent at soft ball and races, followed by a bounteous lunch of cake, ice cream cones and pop.

Miss Wynnie Jackson left this Monday on a trip to Ottawa.

Mrs. Ben Kershaw leaves Westerdale for Chatham, Ontario, where she will spend about three weeks visiting her mother.

Olds scored another victory from Westerdale in last Wednesday's ball game, the score being 13-10. On Sunday the locals journeyed to feed ranch and were again defeated by a 11-6 score. Next Sunday's game will be played at Hillcrest.

The Westerdale picnic is being held this Wednesday on the recreation grounds. Two league ball games will be played during the afternoon, one between Bethelton and Westerdale, and the other between Hartmann and Hainstock. A 22 shoot will also be held, with Mr. Wigley in charge.

Miss Dorothy Phillips left on Friday for Banff, where she has accepted a position for a couple of months at the Banff School of Fine Arts.

Appreciative thanks is extended to all who assisted in carpenter work at the hall premises during the past ten days.

Mr. Stan Hunt of Calgary visited last week end at the home of Mr. and Mrs. A. Jones.

Mrs. A. Jones returned home on Sunday from a two weeks' stay at the home of her sister, Mrs. Koch, at Trochu.

Crops and gardens in the district are making rapid progress since the much needed rain showers commenced about two weeks ago.

Dairy Calf Club Meets At Ernie Clarke Farm

The Dairy Calf Club members assembled with their leader, Hugh McPhail, at the Ernie Clarke farm north-west of Didsbury on Saturday afternoon, June 24th. Two classes of Jersey cattle were judged, and Curtis Clarke made the placings.

At the business session Walter Scheidt Jr. gave a report to the members about the Junior Club week at the University of Alberta.

The date of the annual achievement day was set for Saturday, July 29, and will probably be held at the local memorial arena.

After the meeting adjourned a delicious lunch was served by Mrs. Clarke and Gwen.

500 Pheasants To Be Released This Summer

The pheasant hatch at the Provincial Hatchery at Brooks is reported to be excellent this year and word has been received that the area between Crossfield and here Friday evening, July 7, of the local fish and game associations.

At the present time the pheasants released in small numbers by individuals are gradually increasing and with the introduction of 500 more birds it should not be long before this area will provide the hunter with some real sport.

Better Attendance At Last Gun Club Shoot

There was a better turn out at the regular evening shoot of the Didsbury Gun Club on Friday, June 30, and while the night was a handicap due to cloudy skies those participating enjoyed themselves.

Ten club members took part in the first round of 25 targets with the following scores: A. Stoen 19, E. Rouleau 19, S. Thompson 17, J. Neufeld 16, L. Klein 14, K. McCoy 14, J. Folkman 13, Bert Prevost 11, P. Neufeld 9, G. McDonald 6.

In the second round 12 targets were shot, scores being: Prevost 5, McDonald 5, J. Neufeld 11, McCoy 7, Rouleau 11, Klein 7.

The next regular shoot will be held Friday night, July 7, at 7:00 p.m. and it is hoped that more of the older members, together with as many others who may wish to take up clay pigeon shooting, will turn out to enjoy the sport.

WEST NEWS NOTES

A shower was held in the Rugby hall Tuesday of last week when almost one hundred people gathered to honor Miss Beatrice Cowitz, bride-elect of July 5. The hall was tastefully decorated in pink and white with wild roses in windows and on the tables. The bride's chair, trimmed in pink and white, was placed under a huge umbrella of the same color, and beside her sat her bridesmaid, Miss A. Stoen.

The bride-to-be was assisted by the Misses Mildren and Marion Luft. Among the presents was a dinner service for eight, and something of almost every thing a bride would need with very few exceptions.

The bride-to-be was thanked every one in a few well-chosen words, after which everyone was called to the tea tables, which consisted of one long table for the relatives and three rows of card tables set the length of the hall for the visitors. A delicious lunch was served by the hostesses, Mrs. O. Krebs, Mrs. O. Thompson, Mrs. R. McDonald, Mrs. A. Luft and Mrs. H. Luft, and they are to be congratulated on such a well-arranged affair.

A narrow strip of hail struck the Rugby district on Sunday morning, but no much damage was done. There are still reports of cut worm damage.

Mr. and Mrs. C.S. Hogg and baby of Calgary were weekend visitors at the former's home here.

Quite a number of the Elktion people attended the Sports Day in Olds on Saturday.

Elktion ball team won from Olds on Sunday at the latter's diamond, the score being 13-11.

Mr. and Mrs. Glen Thompson were in town on Friday on their way to Edmonton via the Shanan road outfit.

The Elktion school picnic on Thursday last was quite a success, with ball games and races, and lunch was served at 5 o'clock with lots of ice cream. Mrs. Padwick of England, nee Edith Mann, who was an overnight guest with Mrs. Hosogood, attended the picnic. She was a former teacher at Elktion school.

On Wednesday evening Mrs. Paschick was a Cremona visitor, calling at the Hewitt home to see Vivian.

WEDDINGS

ROBERTS-HAYES

On June 21, at 2:00 p.m., a wedding of great interest was solemnized at the Fallen Timber school when Ruth Hayes, second daughter of Mr. and Mrs. E. Hayes, was united in marriage to Mr. Charles Roberts, son of Mr. and Mrs. Roberts of Cremona.

Rev. It. Shantz of Castor, cousin of the bride, performed the ceremony.

The bride, who was given in marriage by her father, was gowning in a floor-length white moire taffeta dress with chantilly lace bodice and rhinestone trim. Her veil was held in place by orange blossoms, and her only ornament was a two-strand pearl necklace, a gift of the groom. She carried a lovely bouquet of red roses.

The matron of honor, Mrs. Frances Webb, sister of the bride, was gowning in a rose moire taffeta with chapel veil.

The bridesmaids were Miss DeLores Hayes, sister of the bride, Miss Doris Schneidmiller, cousin of the bride, and Mrs. Mary Kay, sister of the groom. Their dresses were of moire taffeta in colors of blue, yellow and aqua, and they wore chapel veils and carried bouquets of carnations and roses.

The train bearers were little Joyce Webb, niece of the bride, who was lovely in white taffeta, and Gordon Hayes, brother of the bride.

The groom was attended by Mr. John Hayes, brother of the bride, and Messrs. Stan and George Roberts, brothers of the groom, and Mr. Bob Konschuh, cousin of the bride.

The ushers were Mr. Tommy Hayes and Mr. Danny Welsh. Miss Joan Schneidmiller played the wedding march, and during the signing of the register Mrs. Mary Roberts sang "I'll Walk Beside You," accompanied at the piano by Mrs. John Howton.

The bride's mother was charming in blue taffeta with chantilly lace and white hat. The groom's mother wore a wine crepe with white hat.

During the reception for about 200 guests, Mr. John Hayes proposed the toast to the bride, and the groom responded. Mrs. D. Gillies sang "Since I Met You," her own composition, accompanied by Mrs. J.A. Howton.

The bridal table was centered with a five-tier wedding cake, and the bride and groom were the recipients of many lovely gifts.

Mr. and Mrs. Roberts left by motor for their honeymoon at Banff and upon returning will take up residence on the farm at Bottrell.

(W.K. Snyder, Field Supervisor)

The application of 2-4-D is very much more effective after a rain when there is moisture in the ground and the weed plant is growing vigorously. At a time like that the plant pores are open and the sap is circulating freely. After a prolonged dry spell, the reverse is the case and to obtain a kill, a heavier dose of from 1 to 3 ounces more than the recommended rate is necessary to produce satisfactory results. Stink weed is hard to kill after it has reached the seed stage, especially during very dry weather. In several cases during June, satisfactory results were obtained on this weed where the application rate of 8 ounces per acre was used.

Don't expect too fast a kill, especially on a perennial weed. In fact it is better if it takes a number of days, for then the 2-4-D acid has time to work on the root.

In cases where a very heavy dosage burns thistles down in a few days it is highly probable that the plant will come again from the root. It is therefore desirable when spraying thistles to use the recommended rate of from 6 to 10 ounces of acid per acre, depending on the stage of development of the

WHAT ABOUT OIL COSTS?

Purchases of tractor and truck fuel by Canadian farmers in the year 1949 totalled \$120,799,000. In the prairie provinces such purchases totalled \$87,136,000 and in Alberta \$28,339,000.

The above figures give an idea of the extent of mechanization on the farms and of the substantial amounts of gas and oil purchased by farmers.

Tractor and truck fuel costs is an important factor in farm operation. Presumably the price is influenced by supply and demand set in the face of tremendous over-production by Alberta's 1,200 oil wells, somehow or other the oil companies manage to maintain a steady price.

Those who are advising the farmers to restrict costs should look into this matter.—Wheat Pool Bulletin.

Weed plant as well as the stage of the grain.

Your enquiries and problems concerning application rate and time to spray are welcomed by your Field Supervisor, who will be at the Municipal Office every Monday until noon, and can be reached by phone at his residence every evening after 7 p.m. During the busy season most of the time during the day is spent on the road making farm to farm calls.

TO BUILD RESEARCH SAWMILL IN OTTAWA

The research sawmill, planned for some while by the Forest Products Laboratories will probably be in operation by the middle of summer. A one-time planing mill, to be remodelled in June, has been obtained in Ottawa to house the new project. Plans to procure the required sawmill machinery are already under way.

Establishment of the research mill will initiate a full study of fundamental sawmill research. The purpose of the program is to improve the processes of mill operation and reduce waste. The Forest Products Labs are also studying ways to make economical use of sawmill waste.
